 - Max or up to: 10, 25, 50
 - Results By: Most Viewed, Latest Published
- Results:** 15 of 11,219 in 0.11 second
- Report Description:** Enter Report Description
- Report Content:**
 - Description:** Legislation: Florida State Passes a Bill Prohibiting Individuals from Knowingly Transmit a Code or Program Without Authorization Today. The Computer Abuse and Data Recovery Act, effective October 1, 2015, prohibits individuals, with intent to cause harm or loss from obtaining information from a protected computer without authorizat...
 - Digital Data:** Minnesota Bill Provides Fiduciary Access to Decedent's Digital Assets Today. Bill SF No. 476, the Uniform Fiduciary Access to Digital Assets Act grant a fiduciary (including an agent acting under a will or power of attorney, a personal representative acting for a decedent, ...
 - Background Checks:** Court Determines Company Failed to Provide Job Applicant With a Real Opportunity to Contest an Adverse Employment Decision Today. A third-party background screening rated a job applicant as "ineligible" due to a record provided to the screening company from a previous employer; the applicant successfully alleges that the hir...
 - Litigation:** Court Rules that Consumers Have No Reasonable Expectation of Privacy in Website's Transmission of Browsing Information to a Social Networking Site Today. Plaintiffs "would not have shopped" claim fails (Plaintiff could simply have stopped logging into the website, and there is no reasonably held belief that PII is not disclosed on websites that add...
 - Employee Investigations:** Ontario Arbitrator Determined that Employer Interest in Using Covert Surveillance Far Outweighed the Privacy of the Employees Today. The Employer had a legitimate interest in the employees' conduct in discovering whether the allegations of drug use were true, who might be involved, and the extent of the problem; the employees' p...

Daily Compliance Alert, Data Protection Map

The screenshot shows a "DAILY COMPLIANCE ALERT" and a "Sectoral and Omnibus Privacy and Data Protection Laws" map.

DAILY COMPLIANCE ALERT:

- Search and Seizure:** Supreme Court Rules Requiring Individual to Wear a Nonconsensual Tracking Device is a Search
- Jurisdiction(s):** Federal United States, North Carolina
- Authority:** ★★★★★
- Risk Guidance:** ★★ ★
- Control Guidance:** ★ ★
- Industry:** Government
- Business Activity:** Conducting Investigations, Use of Tracking and Location Devices
- Impact to Subscriber:** Individuals' Fourth Amendment protection extends beyond criminal investigations; a State program designed to collect individuals' location information (e.g. an ankle bracelet worn by a repeat offender) intrudes on the subjects body and is a search for the purposes of the Fourth Amendment

FEATURES

Comprehensive Compliance Knowledgebase - 20,000+ References

Expert knowledgebase updated daily by Nymity's team of privacy and data protection experts who understand operational privacy compliance. The Nymity Research™ solution enables searches, alerts, reports, and support for all summary charts, maps, and tables.

Maps and Charts

Maps, Charts, Tables and other summary resources are high level summary overviews of key areas of privacy kept up-to-date by compliance experts, linked to detailed information - excellent for quick knowledge and management reporting.

Compliance Analysis in References

References (summary analyses) are created from authority documents from Regulators, Courts, and Law Makers, plus all relevant compliance documents that organizations need to help them comply.

Screened for Accuracy and Depth

Nymity's team of privacy and data protection experts review all source documents for compliance value prior to conducting analysis to create References. This includes updating References as compliance expectations change over time.

Stay Informed

Receive a custom Daily Compliance Alert with an impact for your organization written daily by the team of privacy and data protection experts.

Reports

- Monthly Report - Report used for employee newsletter, management reports, awareness materials, and many other purposes.
- Quarterly Report - Report used for executive reporting.
- Annual Report - Report for presenting key developments, at the end of the year, or for any 12 month rolling period.

GDPR Add-On

Organisations operating in the EU must attain, maintain, and demonstrate compliance with the General Data Protection Regulation (GDPR). To obtain compliance with the GDPR, organisations are required to understand the regulation, expectations of supervisory authorities, compliance best practices, accountable privacy management, and must have the ability to track and understand all GDPR developments.
